

Did you know...

The YMCA of the Rockies strives to serve those who may not be able to experience our mission. Here are just a few ways that the Y gives back.

- The Estes Park Center (EPC) offers affordable 2 bedroom rustic cabins for families.
- Snow Mountain Ranch (SMR) has a new Yurt Village that will be offered as an affordable experience.
- Camp Chief Ouray offers early registration before January 1st allowing campers to access previous years prices.
- EPC and SMR provide off-season rates to Outdoor Education groups no matter when they book. Also, students on a reduced or free lunch program at their school receive further discounts.
- Camp Chief Ouray has Camp Magic Guarantee: if any child's parent loses their job the CCO scholarship will fund their camp experience.
- EPC and SMR pay a portion of international visas to help students come and enjoy what we have to offer.
- The EPC and SMR have affordable military and pastor getaways.
- EPC Chaplain's department has held a free wedding for a military gentleman being deployed.
- SMR has a program for inner-city students from Chicago to have the opportunity to come out and work, with scholarships being provided.
- Camp Chief Ouray allows families to set up payment plans if they are unable to pay all at once.
- SMR gives discounted program and housing to a Cancer free group called Honor Forever.
- SMR offers free usage of the pool for community members needing physical therapy.
- EPC gives discounted pricing to a group called Therapy by Nature.
