TIPS FOR FIRST TIME GUESTS

Call Sweet Memorial at x1104.

First Time Visitor at YMCA of the Rockies? Let us Help!

Activities at the Y open two weeks in advance. That means you can start planning your itinerary two weeks before you arrive! If there is a program or activity you know you want to do—we recommend making a reservation before you arrive. But not everything requires advanced registration. The swimming pool, museum, craft shop, and library are all first-come-first-serve. Here's our advice for planning a memorable and action-packed vacation at the Y:

1. **Two weeks in advance, look through this activity guide and circle any programs of interest. Then [book online](#) or call us direct and we can book activities for you: 970-586-3341 ext 1104.**
2. **When you arrive, visit the Sweet Memorial Building to pick up property maps, paper versions of the Activity Guide, trail maps, board games, and more. Our staff are here to help!**
3. **Don't forget to schedule free time for non-guided programs, such as mini golf, the new Outdoor Classroom, our hiking trails, or simply sit on the Administration porch with a book from the library.**

Call 970-586-3341 ext. 1104 for more information.

Requires sign up: Register online or visit the Boone Family Mountain Center to ask questions in person.

A variety of circumstances may change the schedule of any hike. It is imperative that all hikers check in at the Mountain Center hiking counter no later than 5pm the day before the hike. Please bring your Y lodge room number or cabin name at that time.

Hike Difficulty

A = Most Difficult B = Very Demanding C = Demanding D = Strenuous E = Moderate Plus F = Moderate G = Easy H = Easiest

Prerequisites: To meet the prerequisite for an A, B, C, and D hike, a hiker must have completed without difficulty a YMCA of the Rockies (hikemaster-led) hike of no more than two grades lower

within three months before the hike. This means a C hike is the prerequisite for an A hike (some A hikes may require additional hiker scrutiny due to their high level of physical demand); a D hike is the prerequisite for a B hike, etc.
