

Hello and Congratulations!

Thank you for your interest in Snow Mountain Ranch!

Our Weekend-2023 packages range from \$3,500-\$6,000 depending on the date selected. I have included our Rate/Availability Guide for you to view. All availability is subject to change.

What the Packages Include

Choice of one ceremony site

We include a one-hour rehearsal the day before your wedding. The Snow Mountain Ranch Wedding Coordinator will be available during the rehearsal and ceremony to manage any issues that may arise. You will need to provide your own wedding planner to run the rehearsal, and to queue the bridal party and musical accompaniment during the ceremony.

Summer

Depending on the day you select, you have the choice between **Columbine Point**, **Wildflower Chapel**, **Zachman Amphitheater**, or **Just Ranch** for your wedding ceremony.

- **Columbine Point** is our premier ceremony venue that overlooks the Pole Creek Valley and has scenic views of the Continental Divide. Columbine Point has built-in benches at the venue that can host up to 250 guests.
- **Wildflower chapel** is a smaller version of Columbine point that can fit 100 people.
- **Zachman Amphitheater** has a more direct look of the Continental Divide and is slightly hidden within Pine Trees.
- **Just Ranch** is a historic homestead located in the Pole Creek Valley which also has views of the Continental Divide.
- We also have our **Whispering Pines Chapel**, which is an indoor venue more like a traditional church. This location often serves as the rain backup but can also be booked for the ceremony if this is the atmosphere you prefer.

Just Ranch requires rental of our white wedding chairs for \$1 per chair.

All availability subject to change.

Winter

Legett Hall, the **Promise Building**, and our **Chapel** are our indoor winter ceremony sites. If you are interested in having your wedding outdoors in the winter, you may have the choice between Just Ranch, or the Winter Wedding Lot for your wedding ceremony, depending on the day you select.

- Just Ranch is a historic homestead located in the Pole Creek Valley which has views of the Continental Divide. This location is available depending on the amount of snow on the ground.
- The Winter Wedding Lot is a blacktopped lot that provides a beautiful view of Winter Park ski resort and the Continental Divide.

At **Just Ranch** and the **Winter Wedding Lot**, we provide chair rentals for \$1.00 per chair.

All availability subject to change.

Choice of one indoor back-up

We include an indoor back-up in your wedding package for all weddings hosted onsite. This allows for unfavorable weather on your wedding day. Indoor backup could be in your reception hall or our Whispering Pines Chapel. The fee is included in your package.

Choice of one reception site

Starting the 2nd week of June through the 1st or 2nd weekend of August (dates vary slightly from summer to summer), the **Promise Building** is not available for weddings. During this time, this space becomes the headquarters for

Adam's Camp, an organization that provides summer camp experiences for children, youth and adults with special needs. However, the **Legett** building is available for certain dates in the months of June through August.

Reception sites available include **Adam's Promise, Legett Hall**, and the **Mountain Air Cookout Shelter**, depending on the day you select and the size of your party.

We include early access to your reception hall on your wedding weekend. You will have access to the reception site from 3pm the day before until 10am the day after. Also included is the setup of 6'-8' long tables, 5'-6' rounds, and chairs at the reception venue. As we do not provide linens (tablecloths or napkins), all linen rentals must be from an outside company. All events must conclude at 10pm due to our noise policy.

Our Wedding Coordinator will be there when you check into your reception venue to verify tables and chairs are set up to your liking and that you have all the equipment you need. They will also be there for the beginning of your reception on your wedding day to get things going and make sure you are set for the evening.

***Notice:** We only provide trash cans to the reception site, not recycling bins. If you would like to designate some trash cans as recycling bins at your reception, please bring the signs to do so. We have recycling on property, but the wedding party would need to bring it to our Buildings & Grounds department following the event. Our staff does not separate it for you.

All availability subject to change.

Lodging

Packages include two complimentary Wedding Couple lodge rooms for the night of the rehearsal and the night of the wedding. Ideal for couples to get ready in. They are reserved based on availability.

For your guests, please view rates on our different types of lodging by visiting our website at www.ymcarockies.org. We offer 5 types of lodging: room blocks in our hotel style lodge rooms*, large reunion cabins, yurts, campsites, and family cabins. All availability and pricing subject to change.

*For the room blocks in the lodges, we use a special discounted rate sheet for your guests. It is a \$20 deposit per room per night to reserve in advance. You will receive the deposit back upon guests booking rooms, or if you choose to drop the rooms before your cutoff date. This room block is handled by the Weddings and Events Sales Manager upon reserving your event.

**The same recycling procedure applies to lodging.

Activities

Snow Mountain Ranch also features a variety of free and affordable activities onsite. Visitors not staying on-grounds may purchase a day pass.

What Is Not Included

Catering & Alcohol

Catering may be done for an additional cost by Snow Mountain Ranch or hire your own caterer.

- If you are in Promise, catering must be done through the YMCA.
- If you are in Legett, you must provide your own caterer.
- You may have an outside catering source at the Mountain Air Cookout Shelter.
- Catering vendors must be within 45 minutes of our property. Table linens and napkins are not provided at this time. Table settings provided with our catering only.

When it comes to alcohol, it must be brought in by you. We only allow beer, wine, and champagne on our property, and bartenders are required. Bartenders may be a family member/friend that is TIPS Certified or a licensed bartender.

I have attached both our catering guide, appetizer menu, and preferred vendor list for you to look over.

Miscellaneous Items for Rent or Purchase

Here are some common items that wedding couples may rent or purchase in addition to the package fee. It always depends on the couple and what they are looking for. Please inquire to discuss these prices.

- Battery Powered PA
- AUX Cord
- Microphone and stand
- Extension cords
- Dance floor
- White Resin Chairs (for select ceremony sites)
- Ice, Coffee, and Iced Tea
- Firewood

Please see attached equipment request form for more information and pricing.
